## Nicaragua Victory Report

Grace & peace be to all of you our friends & coworkers from God our Father & our Lord Jesus. As you know from our last report, we planned moving from the City of Jinotepe, Nicaragua to the City of San Carlos. Located by the St. John River on the South East side of the Country of Nicaragua. Thank you all for your prayers covering over us, as we made this move.

Our Lord's hand has been over us in it all. We all arrived at the City of San Carlos to live & work for our Lord Jesus on the 10<sup>th</sup> of July 2006. We made side boards for the two pick up trucks we have. And brought the furniture & goods. We have been here a few months now & have began having meetings in our house "rented house" each Sunday. Our Lord Jesus is blessing the new work & we have had some new souls added into the Kingdom of God. Some of you have ask if our son Jeremiah & wife Kenia came with us.

Yes: Father God raised up a good man for Jinotepe. So Jeremiah + Kenia was free to come here with us + they are a wonderful part of God's new work here in San Carlos. It's not hard being here in San Carlos for the people are friendly + kind to us + open to the gospel of our Lord. Marcia is very happy here, it's good to hear her laughing + talking + enjoying life. Everyone is much happier with the new assignment, that God our Father has given us + thanking him for sending us to labor here. We are looking at a building for the place of worship + we know that Jesus will work it all out. This year in the country we have had electricity only in the mornings. The other inconvenience is bats fly into the house at night, but they then fly back out. Marcia + I "Glenn" plan to fly to the U.S.A. + spend Christmas. We are working on bringing an ambulance back for the hospital here.

We want to take this opportunity to say. Merry Christmas to everyone + God bless you. We love you + miss you all.

Stand by me, we love + need you.  
Glenn + Marcia Israel
