We Welcome You
to
Gospel Truth Church

As I welcome you to worship, I am also welcoming you to the first Sunday of 2009 and to the anniversary of our church which began the first Sunday of 1973, which marks 36 years, here at Gospel Truth.

Every New Year brings excitement of new beginnings and many people many New Year Resolutions of losing weight, making new friends, learning a new trade, finishing their education, or starting a new business. I am sure that each of you have thought about what you wanted to do as this New Year came in.

I have thought of many things that I would like to accomplish in the this year. One project that I have my eyes upon is completing the property payoff so that we can build a new facility. Another is to reach more lost souls than ever before and to spend more quality time, alone, with the Lord. The Lord has reminded me numerous times of the question that I asked Him... "Lord What great thing can I do for you"? And he replied to me... ***If you want to do something really great for me then get in my presence...***. I believe that God is calling you and I to get alone with Him, in His divine presence. God wants our undivided attention...

As you enter into this New Year, cast your eyes upon the Savior and find a solitude place that you can give God your undivided attention and I promise you that you will not be disappointed. Serving the Lord Jesus is the most wonderful experience of this life. In Him there is peace and tranquility... Joy unspeakable... And abundant life beyond measure.

Sister Martha & I want to say Happy New Year to everyone and tell you to ***"Keep your Eyes upon Jesus"*** , no matter what this year may bring, or whatever life may bring your way. Jesus is IN CONTROL!!!

Happy Anniversary
Gospel Truth Church

36 YEARS AND COUNTING

Today marks the 36th anniversary of Gospel Truth Church. There have been good and hard times and through it all God has been and will continue to be **Faithful**.

I can remember distinctly the Lord speaking to me to .. ***“I want you to build a church right there on the corner”***. I was so excited that I pulled over and began looking for a number on the old store front building that was there. Sure enough I found one and to my amazement it was the lady that owned the building. God makes no mistakes. When He speaks everything falls in place.

As I reminisce on the events that transpired, I stand in awe at the power and greatness of God during this time. I remember standing in the pulpit, one Sunday morning and God spoke to me, ... ***“Had it not been for the angel of the Lord standing by your side, son, you would not have made it...”***.

I thank God every day for His help and provision in the infancy of this ministry. And yes, we could not have made it if it had not been for the Lord on our side.

Today, our church is one of the busiest churches I know of with many outreaches in our community and in other countries. With television ministry reaching souls nation wide to teaching children in a class room. Thank you Jesus for trusting us with your ministry.

God also sent many people to Gospel Truth to work and be a part of this ministry. For this I say Thank you.

May we take a few moments and give God praise for all He has done for Gospel Truth Church. There is much more on the horizon for us. There is so much to be done...

We make a New Year's Resolution that Gospel Truth Church is going to be busier than ever before and will reach more lost souls that before and will seek the Lord as never before...

In Jesus Name.....
